

I) Please put the folder named QWallet in C:\

This folder contains the following files:

- helpicon.gif
- QuestionList.txt
- qwalletlogo.png
- Words.txt
- QWallet.sql

II) Loading MySQL Database and creating User and Password:

1. Create a MySQL database named QWallet
2. From a command line on your machine, execute the following commands:

```
CD C:\QWallet
```

```
mysql -u [your MySQL User] -p QWallet < QWallet.sql
```

Hit 'Enter' and enter your password as prompted

3. Creating User and Password

User: qwalletu

Password: qwalletp

The following commands create the user and password above, and grant all privileges to modify database to that user

```
CREATE USER 'qwalletu'@'localhost' IDENTIFIED BY 'qwalletp';
```

```
GRANT ALL PRIVILEGES ON *.* TO 'qwalletu'@'localhost';
```

III) In the event that the database cannot be loaded. Please create the following tables in the QWallet database

1. QandA

```
mysql> desc qanda;
+-----+-----+-----+-----+-----+-----+
| Field | Type   | Null | Key | Default | Extra |
+-----+-----+-----+-----+-----+-----+
| User   | varchar(15) | NO   |     | NULL    |       |
| Question | varchar(500) | NO   |     | NULL    |       |
| Answer | varchar(200) | NO   |     | NULL    |       |
+-----+-----+-----+-----+-----+-----+
3 rows in set (0.01 sec)
```

2. SavedUandP

```
mysql> desc saveduandp;
+-----+-----+-----+-----+-----+-----+
| Field | Type   | Null | Key | Default | Extra |
+-----+-----+-----+-----+-----+-----+
| User   | varchar(15) | NO   |     | NULL    |       |
| Password | varchar(20) | NO   |     | NULL    |       |
| AutoSignin | tinyint(1) | NO   |     | NULL    |       |
+-----+-----+-----+-----+-----+-----+
3 rows in set (0.00 sec)
```

3. UserInfo

```
mysql> desc userinfo;
+-----+-----+-----+-----+-----+-----+
| Field | Type   | Null | Key | Default | Extra |
+-----+-----+-----+-----+-----+-----+
| User   | varchar(15) | NO   |     | NULL    |       |
| Password | varchar(20) | NO   |     | NULL    |       |
| Name   | varchar(50) | NO   | PRI | NULL    |       |
| Passport | varchar(10) | NO   | PRI | NULL    |       |
| DOB    | char(8) | NO   | PRI | NULL    |       |
+-----+-----+-----+-----+-----+-----+
5 rows in set (0.00 sec)
```
